Farewell . . .

On March 22, 1984 Staff, students and parents joined together to express appreciation and good wishes to Mr. Bruce Vaughan on his appointment as principal of D.S. MacKenzie School. Guests of honor included Mrs. Vaughan, daughters Tracy and Lisa, sons Murray and Warren, and son-in-law Dietmar, Mrs. Edith Rogers and Mr. Koilpillai, our new principal. Lisa Vaughan flew in from Peterborough as a surprise for the occasion.

After eight and a half years as principal at Edith Rogers School, many fine tributes were forthcoming, beginning with Mrs. Edith Rogers, who expressed surprise that Bruce Vaughan and Edith Rogers School would not go on together forever. A humorous, though somewhat exaggerated account of Mr. Vaughan's life and teaching career was presented, with slides and commentary by Mr. Gordon. A large photograph of Mr. Vaughan, a gift from the students, was unveiled. It will be hung in the school's front hallway to honor the school's first principal. A variety of other presentations were made. A final gift of golf clubs, bag and cart were presented on behalf of school staff and parents.

Although Mr. Vaughan will be missed, his presence will remain in the school in the many ideas and programs which he initiated. We trust his humor and dedication will assist him in meeting the challenges of his new job.

Thanks from all of us, and good luck!

This year's Students' Council was very active. Activities which the Students' Council was involved in included supervising all committees, organizing dances, and many extra-curricular activities. Honorable mention should go to the Poster committee (headed by Shannon Jensen) for making posters for many special events, and also to the Dance committee (headed by Connie Kim) for putting on dances with two days notice!

Thanks to the students, staff, and parents for the support, participation, and enthusiasm given to the Council throughout the year, and wishes for the best of luck to next year's Council.

K. Shufelt
 President.

Activities

Quebec Exchange

The Quebec Exchange Club has existed at Edith Rogers for the past seven years. It is a club which students join voluntarily like other clubs at the beginning of the school year. The main difference between the Quebec Exchange Club and other clubs is that membership is limited to students who have studied French in grades 7 and 8 and are continuing it in grade 9. The club was originally begun in order to provide students with the opportunity to actually apply the French language which they were studying by living with and hosting a student with a French background.

While on exchanges students stay in the home of a French-speaking family in Quebec for approximately one week. They in turn host the person with whom they have been twinned in their own home in Edmonton for a similar period of time. By staying with a Quebec family the students have the opportunity to practice their French and to learn more French through experience with the various members of the family. Many students develop good friendships with their twins which continue in the form of letters and further visits after the termination of the exchange.

Students on the exchange were exposed to a variety of cultural experiences as a result of the activities which were planned and carried out by the twinned group.

In Quebec, our students took part in a number of activities while visiting the province of Quebec including a visit to a cheese factory, a furniture factory, the Quebec Winter Carnival, the Quebec Parliament, historical Lower Quebec, the University of Laval, the University of Sherbrooke, Bishop's University, a reception at City Hall, time spent in classes and a Cabane a Sucre not to mention a wide variety of social events.

While in Edmonton, our group has organized the following events and activities: a half-day in classes, a tour of the city, a visit to City Hall, the Muttart Conservatory, the Provincial Legislature, The Provincial Museum and Archives, the Alberta Game Farm, the Strathcona Science Park, the Stony Plain Multicultural Centre, Palm Dairy, Fort Edmonton, a luncheon at school and a trip to Jasper.

Like all activities which we engage in, it is only successful as a result of the amount of effort which is put into it and the sincerity of those involved. We encourage all students to pursue such activities in earnest in order to continue to grow and learn. May we continue to have success with this project and with similar ones in our school.

Following is a list of students and chaperones who planned, and carried out this year's exchange:

Kelly Bumstead	Martine Letourneau
Rupesh Chawla	Claude Daigneault
Jason Cundal	Bruno Chartier
Kendal Harder	Marco Blouin
Marcy Hlus	Nathalie Caza
Baldwin Hum	Yves Marceau
Shannon Jensen	Josee Thivierge
Clive John	Christian Simard

Western Day

Western Day

During Western Day, the whole school went cowboy crazy. The office was plastered with signs like "Sheriff", "Deputy", and "Jail". There was a bar-b-que with tasty burgers and garnish. The teachers all had ten gallon hats atop their grim faces. In the afternoon, the classes had the chance to earn some hearty house league points, with events ranging from the six-legged race to the tug-of-war.

The winners of the events were 7-8, 8-7, and 9-3. 7-6 and 7-7 tied for second and 8-5 and 9-1 were each second in their respective grades. All in all, it was a rip-snortin' good time.

Hallowe'en

Hallowe'en

This year's hallowe'en dress up day was followed by a dance in which many Edith Rogers students came dressed up in the wackiest costumes to compete in the Dress-up Contest. After hours of grueling competition, the judges made their decisions.

The three winners were as follows:

- grade 7 Roxanne Padmore
- grade 8 Roy Fisher
- grade 9 Michal Prins

Band

The Band program at Edith Rogers involves five separate bands. The Junior Concert Band involves mostly grade 7 music students and some grade 8's playing a second instrument. The grade 8 band is a composite of the two grade 8 band classes. The senior band is comprised of members from both grade 9 and grade 8 band classes.

Both Jazz I (Advanced) and Jazz II (Beginner) bands are by audition or invitation only and play traditional jazz literature.

All bands rehearse twice each week (except the grade 8 band which only rehearses once outside of class).

Our bands have played school concerts this year and participated in four separate festivals. At this years Kiwanis Festival our bands all achieved marks of 80% or higher. We received three second place certificates and one first place finish. Most of these were against older or more experienced bands.

The senior concert band placed first in the grade III-IV Recital Class (88%) against Louis St. Laurent Senior High. This is the first time any of our bands has won this category. Well done!!

AL JONES - "Best Band Director" Award
Kiwanis Music Festival 1984

Senior Band

Drama

The drama club was active again this year, involving dozens of students in two major stage productions. The first was the Christmas Lit, a bizarre collage of music, drama, dance and comedic brilliance.

In April, a small cast of talented actors toured several Millwoods elementary schools with a polished production of Thornton Wilder's *The Happy Journey*. After nine separate performances the cast was ready to relax in comfort over a thick, gooey Boston Pizza. Well done, everyone!

 Jeff Harris as ... Stage Manager
 Carrie Samoil as ... Ma (Kate)

1984 Administrator's Challenge 21 Tournament

Have you ever seen 180 students playing basketball -- at one time -- in one gym? During the month of March this happens every morning. Some of the early shots are a little wide of the basket. That's what happens when you shoot with your eyes still closed.

Boys and girls in each grade compete against each other in a 21 ladder tournament. Students challenge someone in the row above them on a pyramid-style ladder. Play-offs are held between students who reach the top five rows. These students also compete in a timed sharpshooters competition. With a time limit, the action is fast and furious.

Math Contests

Edith Rogers students have competed in five different Math Contests this year and have excelled in each one. Involvement in Math competitions is encouraged by the Math department for the following reasons:

1. to provide a challenge to good Math students; and
2. to expose students to mathematical problems that they would not normally encounter until later.

These contests are:

1. CANADIAN NATIONAL MATH LEAGUE
- a ½ hour, 40 question multiple choice test given at the grade 7 and 8 level. (All sevens & eights to participate)

We finished 4th in Alberta, 22nd in Canada (top 5% of all schools in Canada)

School Team:

Gr. 7	Gr. 8
1. Michael Poon	1. Michael Mah
2. Sharon Nam	2. Roy Fisher
3. Troy Wilcox	3. Timmy Leshchyshyn
4. Jesse Coull	4. Ashan Fernando
5. Kent Pohl	5. Senny Leong

2. PASCAL

- 1 hour, multiple choice, Canada-wide, sponsored by University of Waterloo.

We finished 1st in Edmonton zone, 54th in Canada (1107 schools) (top 4%)

Receiving a certificate of Distinction (top 10%)

Nina Nam (also top student in Edmonton)	Rupesh Chawla
Michael Mah	Pradeep Bhatia
Timmy Leshchyshyn	Richard Kim
Baldwin Hum	Michal Prins
Shannon Jensen	Jerry Larson
Albert Poon	Nancy Krenz

3. CITY OF EDMONTON
(Public & Separate Schools - Grade 9)
- 2½ hours, multiple choice and problem solving

Top 50 Banquet
Pradeep Bhatia Richard Kim
Paul Wulff

4. ATLANTIC-PACIFIC MATHEMATICS LEAGUE
6-½ hour contests, 1 per month

We finished 1st in the District

Michael Mah

School Store

Each year fifteen girls are selected by Mr. Pritchard and Mr. McQuarrie to help operate the school store. Ability and charm are the main attributes of all store employees. They must also be able to see over the ledge (sorry Nina). Our chosen few are listed below. Thanks girls for a job well done.

Shannon Jensen, Marcella Ortega, Mei Lau, Nancy Krenz, Glossy Yi, Connie St. Pierre, Kelly Bumstead, Julie Kim, Kim Yauck, Colleen Sillito, Nadya Ramsaroop, Kulbir Gill, Lois Schmidt, Carolyn Svekla, Maurya Braun.

Handball

A new sport for most of the girls this year was team handball. These talented girls played in two tournaments this spring placing second in both. A great start to a great sport.

Computer

During many noon hours and mornings, if you go into the computer room, you will see all of the monitors on with the Junior Programmers' foreheads furrowed with concentration. Once in a while, one face glows with accomplishment, as whatever program they were working on runs perfectly. This is the Computer Club, headed by Mr. Phare and Mrs. Sether. These people learn new techniques, design and make programs, and generally learn more about computers than the average person. However, it is not work; the kids have a lot of fun working these things out. The Computer Club is a new generation of young, bright programmers who will enjoy their work.

Thanks to Mr. Phare and Mrs. Sether for sharing their knowledge with us.

Chess

The 1983/84 Chess Club involved many kids who played superior chess against each other. Headed by Mr. Simbalist, the club competed during various noon hours, in many in-school tournaments, and the top players went out and competed in out-of-school tournaments.

The games club was held in Mr. Simbalist's room during the weekday lunch hours. The game played this year was Chivalry & Sorcery which is a role playing game. The game is lots of fun, as it involves lots of people playing at the same time. The people must use their wit, wisdom and knowledge to live the life of a medieval knight, soldier, merchant, etc. All in all, it was a worthwhile and fun way to spend a lunch hour.

Games

Aadac

During spring break, four of our students: Susan-Lynn Boerger, Salah Chehayeb, Karen Shufelt, and Lisa Salmon, attended a conference, which looked at alternative lifestyles. The conference theme was 'make the most of you'. Two hundred young people came from all over Northern Alberta, to see Bill Gordon, Dave Cutler, a professional Break Dance team, John Casablanca's models, John Gogo, Randy Hoyle, and Dave King. Heated discussions and interesting suggestions were made during the conference -- much was learned, new friends were made, and a good time was had by all.

Hi-Q Team

The Hi-Q team consisted of Victor Varma, Baldwin Hum and Jerry Larson. Micha Prins, Nadya Ramsaroop and Richard Kim practised with the team. The team practised every available morning for half an hour. The week before a game we would miss two or three classes for practise. All the hard work paid off, though, as the team won the consolation final. The team lost the first game to V.J. Maloney by a score of 415 - 285. From here we got a by pass the next round. We then defeated Killarney 515 - 385. From here we defeated Elizabeth Seton in the semi-finals by a score of 545 - 465. Then in the finals we defeated Cardinal Leger by a score of 485 - 345.

Newspaper

The newspaper staff had a great year. Five issues of the Royal Report were run off on the offset press in the shop. The yearbook was produced by students from all grades, both during and after school. Without the help of all of those industrious people, this book could not have been produced. Thank you to everyone who helped.

Badminton

The Badminton Club was held in the wee hours of the morning every Thursday. An odd sort of sleepy-eyed, grumpy morning group assembled between 7:25 & 7:35 a.m. to wait for the "teachers" (not mentioning any names) to stagger through the doors and open up the gym. Then it was time for early morning calisthenics which included setting up the nets and hauling out the long poles. The group, now half awake, tried valiently to hit a bird over the net. This process, if not successful, ended up in broken raquets, curses, crying and general frustration. All-in-all it was a great time with a tournament followed by semi-finals and finals. Thank you to all who participated.

Ski Trip

The ski club went on a very enjoyable trip to Marmot Basin in Jasper. The ski slopes were crowded with hundreds of cheerful skiers, who were easily identified by their bright red faces. The students travelled by van on Friday and returned Sunday. Supervisors were Mr. & Mrs. Oswin and Mr. & Mrs. Holm.

A good time was had by all.

Soccer Team

Mr. Watson coached this team comprised of players from all grades. The season began in late September and ran into early November. The team was made up mainly of grade sevens and eights. Even though it wasn't a good season this year, the young nucleus of the team will make it stronger next year.

Basketball Team

Preparation for the season began back in November. We held tryouts which were open to all grades with several representatives from each grade making the final team. Mr. Rosborough coached the team. The season started in January and even though it wasn't a good season, we still had success in two tournaments where we finished second and second in the consolation. The season ended in early March.

Volleyball

The Volleyball Club is a recreational Grade 8 and 9 club which met once weekly in two separate sections, one for boys and one for girls. The club met from September through February. Students are drilled on specific skills as well as spending about half of the time playing recreational matches amongst themselves. Mr. Bayly and Mrs. Henning supervised this club.

Rugby

The Rugby Club was organized for the first time this year. Students from grades 7 and 8 formed the majority of the players. We played a modified version of regular fifteen-a-side rugby called mini-rugby. This game consists of only 9 players and is intended for the 12-14 year age group. This year they only played exhibition games of a non-serious nature in order to practice and learn the skills of the game. Mr. Bayly and Mr. Rosborough supervised this club.

Houseleagues

This year's house leagues were participated in by all classes. The year started off with the annual Western Day and was followed by the Hallowe'en dress-up. Classes competed for the bordenball, volleyball and line basketball championships. All year students brought their library books in for points and there was a rush for the library every month. This year's winners were as follows: 7-6 Warriors, 8-6 Burgertimers and a tie between 9-2 Brewers and 9-4 Police. Congratulations to the participants.

GRAD

Mrs. Rogers, Mr. Vaughan, Mr. Koilpillai, Teachers, Guests, and Fellow Graduates.

When I was first approached to be Valedictorian, I felt deeply honored. And at the same time I felt a little apprehensive, knowing how difficult it is to say 'goodbye' to a very special school, to very special people, without sounding sentimental and trite. I began by asking myself first of all, what is it that made our years at Edith Rogers unique.

Friends. This is a very important word in growing up. The friends we have made lifted our spirits when we were down, showed us love when we were lonely, and gave us hope when life seemed empty. Even the best days were made richer as they shared our moments in the sun. They loved us enough to let us be the people we had to be, and then loved us all the more. Above all, our friends were there when we needed them.

We have experienced too, some unique opportunities for learning.

The teachers at Edith Rogers are very, very special. Not only are they caring human beings, authorities in their respective subject areas, but we were given the opportunity to draw on their varied skills and talents for which each became famous — skills from track and field to jet boat racing, musical and dramatic expertise to bridge.

During our years at Edith Rogers, Mr. Vaughan, Mr. Koilpillai, and Mr. Humphries, our administrators, have taught us, through example, the meaning of leadership, the value of fairness. They were the chief architects of our school experience.

Behind the scenes, we were to learn lessons in warmth and friendliness from the secretarial staff; and from the exemplary custodial crew, we learned to respect and care for our school.

We're grateful that our parents, too, who have helped and encouraged us over the years are with us tonight as we take this next "big step". Ahead of us lies a difficult road marked by serious responsibilities to the future, and bold new challenges. But the precious legacy of friendship and caring you all send with us will help us meet the future with hope and courage. Good luck and goodbye.

Graduation Wish

This year together is our last,
Oh how the time flew by so fast.
Our lives together are now done,
The emotions we shared, the pain, the fun.
We grew up together and here we all stand,
Cherishing the night all hand-in-hand.
The tears may fall, the good-byes said,
We're all growing up and moving ahead.
Moving right on up, to brand new things,
We're standing up straight and spreading our wings.
We've come a long way from the first time we met,
Our friendship is solid and so strongly set;
Not set in concrete, or a plastic mold,
It's set forever in the most precious gold.
Here it all ends, for now anyways,
A person may leave but the memory stays.
When it comes time to leave, we'll all wonder why,
There's no answer to that, just a whisper good-bye.

The Place to Be by Me
The moonlight bounces off the waters face.
As the trees stretch over with lilted grace.
The doors of perception are opened wide,
For all those who wish to venture inside.
You'll find this place full of beauty and peace,
And to live here you don't need a lease,
The trees are all green, the flowers in bloom,
You'll never want to confine yourself to a room,
The people are friendly, the animals don't bite,
You never see anyone in a fight.
They come for a visit but they always stay
Because once you come here,
You'll never want to go away!

Jeff Harris

Autographs

Friends

Friends are people on which to rely,
Tell them what hurts deep inside.
You like to be around them,
Whenever that you can,
And when you're in trouble,
They'll always lend a hand.
Friends are there when you need them,
Through thickness or through thin,
Or even when you feel,
That you need a grin.
Whether in good times or in bad,
Having friends will never make you sad.
Now it's time to say good-bye,
And you feel really glum,
Getting a smile just perks you up,
Especially from a chum.
The time has come for you to part,
And go your separate way,
But you know you'll meet again,
Another time or day!
